PROFESSIONAL EXPERIENCE

Everyday Health, Inc., New York, NY

2013 – Current

Senior Digital Producer and Project Manager, Integrated Marketing Solutions

- Manage the post-sale execution of more than 100 integrated marketing programs annually, from content, web, and audience development to reporting, optimization, and upselling
- Present custom solutions to brand/agency advertisers to highlight benefits and demonstrate value
- Serve as primary contact with agency and client partners, as well as internal stakeholders, to maintain clear and open communications and ensure all deadlines are realized
- Collaborate with national sales team, editorial, account management and development teams to execute and deliver flawlessly on sold deals
- Manage budgets in excess of \$500K to maintain margins and ensure profitability

Custom Solutions Manager

2011 – 2013

- Lead kick-off calls and setup status meetings to ensure project progress and timely launches
- Track performance of up to 20 programs simultaneously to ensure delivery, gauge overall marketing success, and identify opportunities for optimization
- Develop detailed project schedules to clearly delineate deliverables, dependencies and timing.
- Oversee third party vendors to ensure timely delivery and quality of work
- Compile weekly departmental achievements and share with c-level executives to highlight wins and communicate challenges

News Corporation, Fox Cable Networks, New York, NY

2009 – 2011

Marketing Coordinator, Integrated Sales and Marketing

- Collaborate across the organization in the conceptualization, development and writing of integrated marketing programs across all platforms to meet client goals and drive revenue
- Act as a liaison between on-air production, programming, and sales to 10 million plus
- Overhaul budgeting and reconciliation dashboards to improve efficiency and better monitor costs.
- Maintain sales and marketing collateral to ensure accuracy and consistency of messaging
- Perform ongoing competitive analyses to keep sellers and executives abreast of market landscape
- Build and manage ad inventory tracker to inform sellers about available opportunities
